This longstanding partnership also connects the 888 New Jersey online casino to Caesars Entertainment properties in Atlantic City. This includes Caesars Atlantic City, a luxury hotel, casino and resort that opened in 1979 as just Atlantic City's second casino. The property features more than 120,000 square feet of gaming space with 3,400 slot machines.

888 NJ Casino features games by some of the biggest giants in the industry, including Netent, Yggdrasil as well as releases by Section 8 Studios and IGT. The casino also has a number of exclusive titles, which you can easily find by filtering for 888 Originals. These original titles are done by a developer that gives the casino exclusive rights over the titles. Since bettors might also have a favorite developer, this strategy can make it attractive for players to open an account.

While 888 NJ Casino might not have the biggest selection of developers available, they do offer strong titles that have generally performed well

and supplemented them with exclusive titles that gamers will simply not find anywhere else. It's a mix that works, more so when a great title can end up with a cult-like following which a lot of developers and casinos hope to achieve. Some games developers filtering is available more prominently on the mobile application, although there's only a couple of options available rather than the full suite.
