According to 888 Casino they have made every effort to ensure that withdrawing any winnings is a simple procedure. As a general rule requests for a withdrawal are accepted three business days from the initial request and paid into the method used to deposit funds. If a member has Gold VIP status in the casino, it is likely that their request will be seen as a priority and accepted more speedily, possibly within one business day. It is worth noting that there is a further delay after this initial acceptance period, during which the withdrawal is 'Processed'. It is this space of time which varies greatly between banking methods.

Established in 1997, 888 Casino is one of the pioneers of the online betting industry, spanning more than two decades as a leading digital operator. They are an important part of the NJ (Atlantic City) Division of the Caesars Interactive Entertainment empire. The site is successfully brokered on the London Stock Exchange and recognized by the top UK Gambling Commission.
