888 Poker Rake If you're playing the real money Poker at 888 NJ, expect some deductions in the form of rake. Precisely, the operator takes 1 cent rake for every 18 cents that go into the pot. In terms of percentage, it is 5.56%, which comes out the same as the Borgata Casino. However, it is a bit higher compared to PokerStars, which is set at 5%.

Along with the gaming options, 888 NJ also avails a collection of some special bonuses to all the players on its platform. New players at 888 Poker New Jersey can benefit from deals such as 'No Deposit' and '100% First Deposit Match' bonus. Once you become a regular punter here, you can explore various promotional deals and explicit Poker tournaments as well.

We have to credit 888poker for making the biggest leap forward in terms of its e offering. Largely due to its major November mobile software update: Made to Play (more below). Which was based on players' feedback which was collected for months. Including a visual facelift, portrait mode, swiping, notifications and chat removal - to name a few.

As you can see from above, there are three main bonuses you can expect to see at a NJ poker site:

Although the prizepools will vary, it's often the case that the total payouts will be around \$100 to \$200. This means you stand to win approximately \$20-\$30 if you're the victor and less if you finish within the money. However, it's important to note that anything you win is yours to keep and not subject to any playthrough conditions.

Hold'em is one of the most popular poker cash games. For no-limit Hold'em, the stakes range from \$0.01/\$0.02 to \$500/\$1,000. When we visited during peak hours, there were around eight max-medium high stakes tables running. Moreover, the high-stakes games revolve around heads-up play.

When it comes to branding and reach, this room doesn't just lead in New Jersey, but also worldwide. It did come to the party late having launched in New Jersey in 2016. However, it's made up a lot of ground in a short space of time. This is partly due to its success outside the US. In almost every legalized poker market, PokerStars is the biggest site there is. That reputation goes with it wherever it travels and that's certainly true in New Jersey.

This bonus is available for first-time depositors who want to load up their account with at least \$10. The bonus release in \$10 chunks. Players can clear each chunk by paying \$50 in rake or tournament fees.
