Caesars Casino is available online in Michigan with a welcome bonus for new customers. When you use the Caesars Casino promo code FREECZR during registration, you can receive up to \$2,000 in matching funds with your first deposit, plus a \$100 gas card when you wager at least \$500 during your first week.

And there are additional perks once you've used the welcome bonus, as well, along with the Caesars Rewards loyalty program.

Keep reading for more about the Caesars welcome promo, other bonuses, the game library, banking options, responsible gambling, and info about its retail partners in Michigan.

Enter the best Caesars Michigan promo code FREECZR during the sign-up process at Caesars, and the online casino will match your first deposit up to \$2,000 in bonus funds. Additionally, you can get a \$100 gas card if you wager at least \$500 in your first week of play.

Once you've created an account and entered the top Caesars promo code FREECZR, deposit some money to claim the Caesars bonus. The matching funds should appear in your account instantly, after which you'll need to meet the wagering requirement.

The requirement you need to meet depends on the amount of bonus matching funds you receive and the games you play to meet it. In all instances, you'll have seven days to meet the requirement, and here is how it breaks down per game:

If you deposit \$100, you'll receive another \$100 in bonus funds. If you aim to meet the wagering requirement by playing slots, you would need to wager \$1,500 ($\100×15). If you play roulette instead, you would need to wager \$15,000 ($\100×150) within a week.

There are a couple of other points to keep in mind. First, while you're meeting the wagering requirement, you first will wager the money you deposited before the bonus dollars. Second, if you don't meet the wagering requirement within seven days, you will forfeit all remaining bonus dollars, as well as all winnings.

Caesars also offers a gas card exclusive to new Michigan online casino customers. Here are the details for how to get it:

While there are no wagering requirements to meet for the \$100 gas card, you'll need to bet at least \$500 at Caesars within a week of registration to receive the card.

Caesars will use the information you entered to verify your identity and age. If there are any inconsistencies (for instance, if you've recently moved to a new address), you may need to upload a copy of your official ID. Otherwise, you can get started making your first deposit.

Click the deposit icon, or open the cashier window via the drop-down account menu under the profile icon. Deposit at least \$10 to qualify. Once your deposit clears, your funds and the bonus funds will appear in your online wallet. You'll next need to meet the wagering requirement before your bonus dollars will convert to withdrawable cash.

You must meet the wagering requirement within seven days of your first deposit to clear the bonus funds. If you wager at least \$500 during your first week, you'll also qualify for the \$100 gas card.

Caesars Casino offers a variety of regular promotions that rotate in and out on a frequent basis. Check under the promotions link to see new options to win cash back for playing select games, entries into prize drawings, or the chance to earn extra loyalty points on select games or days of the week. Here are a few examples:

At the time of this review, Caesars had recently debuted an alternate welcome bonus for new players. While the offer looks interesting, we have not had a chance to test it yet.

It works similarly to FanDuel Casino's welcome bonus. Enter the bonus code while registering for a new account, and Caesars will cover any net loss you incur on slots or video poker up to \$1,000 in bonus cash over your first day of wagering.

You'll have to meet a wagering requirement on the bonus dollars, but slots play only carries a 1x playthrough requirement, while video poker carries a 2x requirement.

The Caesars Rewards loyalty program is a known quantity that we feel adds a lot of value to the site. Not all online casinos have a rewards program, FanDuel and Unibet don't, for instance, but Caesars Rewards is one of the top programs on the market.

Casino mi caesars online

Just note that membership isn't automatic. You have to sign up for the program, but that's easy to do. You'll receive a Caesars Rewards account number when you register at the online casino. You'll just need to sign up for a My Rewards account when you get your Caesars email invitation.

Once you're enrolled in the program, every \$1 you wager online on casino games and sports betting, as well as at land-based Caesars properties, will earn reward points and tier credits, which help you climb the program's six tiers. The higher you climb, the better the rewards.

You can redeem reward points for money that will go directly into your Caesars cash balance. Alternatively, you can redeem them for comps and perks at more than 50 land-based Caesars properties in North America.

You will earn one reward point for every \$5 you wager online on slots and every \$25 you wager on table games. Each reward point equals \$0.01, so you can redeem 1,000 reward credits for \$10 in free play.

You must be 21 or older to bet at Caesars or any other legal online casino in Michigan, and you'll need to be within state lines when doing so. Caesars will verify your details when you sign up. If your address is different from the information on file, you may need to upload a photo of a government-issued ID.

The state of Michigan enacted legislation to enable online casinos, sportsbooks, and poker rooms in late 2019. The Michigan Gaming Control Board oversees the industry.

The new laws require online gambling providers to partner with an existing land-based casino to qualify for a license. In Michigan, Caesars is partnered with the Grand Traverse Band of Ottawa and Chippewa Indians.

The tribe owns two land-based casinos in the Grand Traverse Bay area of Northern Michigan. A retail Caesars Sportsbook is available at both the Turtle Creek Casino, located in Williamsburg, and the Leelanau Sands Casino, located in Peshawbestown.

The Caesars Casino app is free and available to download for iOS and Android devices. We found that the app loaded quickly and that navigation was intuitively easy. The display makes it easy to find what you're looking for without bogging down your Wi-Fi connection.

The drop-down account menu, cashier, responsible gambling tools, and promotions are all available along the lower edge of the app. You can sort games into categories, such as slots, table games, or featured titles.

The app includes a few features that aren't available on the full-sized version of the site. One nice one is that the number of promotions and casino games per category appear in parentheses next to each link. You'll also find a "Favorites" link on the app, which will list the games you've played before, so you won't have to hunt for them again.

Michigan residents and visitors have a wide range of excellent online casino options, but Caesars stacks up near the top of the list. Here are some of its main strengths:

Both Turtle Creek Casino & Hotel, located in Williamsburg, and Leelanau Sands Casino & Lodge, located in Peshawbestown, offer Caesars Sportsbook retail locations.

The Turtle Creek property is just minutes away from Traverse City, where you'll find big-city amenities presented with small-town charm. The 56,000-square-foot casino floor offers an array of casino slots and table games. The property also offers a contemporary hotel and a number of dining options.

Surrounded by the waters of Lake Michigan and Grand Traverse Bay, Leelanau Sands on the Leelanau Peninsula was one of the state's first casinos.

The casino floor offers over 350 slot machines and table games, on-site dining and entertainment, and a 50-room lodge. Located nearby are wineries, golf courses, hiking and biking trails, fishing and boating, and sandy dunes and beaches.

In addition to the self-regulatory tools on the Caesars Casino app, the Michigan Gaming Control Board offers an array of responsible gambling resources on its website.

As required by Michigan gambling law, the MGCB and casinos in the state also allow problem gamblers to add themselves to a "disassociated persons" list, which will permanently bar them from visiting all Michigan casinos in person. To sign up for the list, you can call 888-223-3044 or fill out an online application.

The Michigan Department of Health and Human Services also staffs a toll-free, 24-hour helpline for problem gamblers at 800-270-7117. Services include initial consultation, financial assistance information and ongoing treatment oversight, in some cases.

In addition to Michigan, Caesars maintains online casino sites in New Jersey, Pennsylvania, and West Virginia. While each site is quite similar overall, things like available banking options and game libraries may vary.
