A promotional sweepstakes casino offers the chance to play for fun and practice casino-style games. As long as you use one of the legit, recommended social/sweepstakes casinos, they are not illegal, and you can be assured your money is safe and you can also redeem your winnings for cash prizes.

For many, the best part of playing slots (aside from winning cash prizes of course) is watching the reels spin and the symbols interact. That requires an overall great design and setup, which is where these mesmerizing slots come into play:

DraftKings became the official sports betting and daily fantasy sports partner of the New York Giants. If you’re a big enough Giants fan, that might be reason enough to join.

DraftKings is one of the most popular sports betting apps in the US, and it’s no wonder with its easy-to-navigate mobile app and competitive odds.

That’s right: the Santa’s Village slot at Pulsz Casino has a 1.8 million SC jackpot. You’ll rarely see legal online casinos in the US boast seven-figure win potential.

If you go to a Giants game at MetLife Stadium in East Rutherford, New Jersey, you can bet on the game (and any other sports) in real-time directly from the DraftKings app.

Each Pulsz VIP level increases the amount of GC you receive when you make a purchase. It also boosts the number of VIP Points when you level up. Here’s a breakdown:

*Note that Pulsz’s game selection is subject to change periodically, so both versions of blackjack are not available at all time.

Looking to place a bet on an obscure sport? DraftKings NY has you covered. Professional sports? They have those, too. NBA, MLB, NFL, NHL, Tennis, Golf, MLS, WNBA, darts, rugby, NASCAR, UFC, MMA, they're all there. Long story short, you'll have no trouble finding your favorite sports on DraftKings NY sportsbook.

Yes. Pulsz Casino offers five different table games. These include standard blackjack, Lucky Sevens blackjack, American roulette, and Texas Hold'em casino poker.

Yes. Pulsz has 20 jackpot slots, including Santa's Village, which had a 1.8 million SC jackpot at the time of writing this Pulsz Casino review.

The DraftKings Sportsbook app is one of the best in the industry, and the company has taken its learnings from that side of the business and brought them into the online casino space. DraftKings Casino app is an excellent experience from top to bottom.

All Megaways slots at Pulsz Casino have a minimum spin of 0.20 SC except for Curse of the Werewolf, which has a 0.10 minimum.

Pulsz does not charge a fee for making a purchase. However, the payment method might. For example, adding funds to your Skrill account with a credit card counts as a cash advance charge, which comes with fees and higher rates.

DraftKings Casino isn't legal in New York, so you can't bet on it right now. The state is taking things slow and steady when it comes to online casino legislation. A few recent bills stalled, gaining little traction. Still, online casinos in New York are a question of "when," not "if." That "when" may just be a year or two away. However, all signs point to legal online casinos in New York in the future. If legislation makes headway this year or next year, 2024 could be New York's year.

As you can see, the bigger the purchase, the better the deal. For example, the \$19.99 package may be 4x the price of the \$4.99 package, but you get more than 4x the GC.

In total, you could receive up to \$2,085 when you first sign up for DraftKings Casino and make a deposit. The deposit bonus comes with a 10x playthrough requirement. So although the dollar amount is big, it requires a hefty investment over time to earn the full \$2,000. The good news? The bonus scales. So you could deposit \$100 and claim a 100% match on that. It's not a full \$2,000, but it's also not \$0!

You'll find responsible gaming resources at the bottom of the DraftKings homepage. Those are there to help problem gamblers find assistance when they need it. An illegitimate operator would likely not list such resources on its site.
