It was established in Curaçao in 2018, and it is a part of the Topia Solutions N.V. Casinos Group. The casino itself doesn't have any problems with its reputation. Still, keep in mind that it's fairly young. The group that it's a part of did have some issues. Let's remember that this group works in conjunction with Game Tech Group N.V., which was previously licenced by the Malta Gaming Authority.

Namely, someone from the Game Tech Group N.V. was found hacking into other casino's websites and posting links that led to their own gambling sites. Aside from that, let's give this newcomer a chance to prove itself and see what they have to offer.
