Even after reading our review, you might still have some questions about Chumba Casino. That's why we've gathered together below a collection of common questions along with their answers.

It's easy to find a good number of player complaints around withdrawal speeds at Chumba, something you're unlikely to experience with any major issues at Bovada and Cafe Casino. With both also offering crypto withdrawal options, they boast a significant increase in payout speed and mostly pay out wins within two days.

@Sherry: Take a look at the paragraph "How to sign up for Chumba Casino". This should help you out.

There is also no VIP Club for Chumba players. The entire Casino is very simple and this simplicity is intentional.

There are none of the typical bonus offers at Chumba Casino that you would normally see at an internet casino since it is not your usual casino but an online platform that offers you the chance to play games for entertainment. The sweepstakes entry part is done by giving you Sweeps Coins which you can use for playing the slots and games in the casino.

In the case of Chumba Casino, some poor reviews are actually caused by incorrect expectations of users or misoperation on their part. It's wise to take note of comments from both positive and negative reviewers to enable any player to make a truly accurate judgment, but it's also likely that the most accurate opinion on anything being reviewed will come from personal experience.

One of the major drawbacks of any type of casino is that they're designed to take your money. They're very good at that type of business. In that respect, Chumba is really no different. It's possible to get some big virtual money wins by playing free Gold Coin games, and occasionally you may win a sizable amount on Sweepstakes games. In the long run, you'll most likely end up with less cash than when you started.

The main competitors to Chumba are the other operators who deliver services in a similar way with the most well-known being Luckyland Slots, Funzpoints, and High5Casino.

Starting to play in any other online casino normally works in a few simple steps – create and verify the account, deposit funds, play, and withdraw if you have been lucky. It is totally different at Chumba Casino.

Account Verification Instructions at Chumba CasinoThe minimum you need to start redeeming your sweepstake prizes is \$100 worth of Sweeps Coins – a pretty steep minimum in our opinion – while the maximum for New York and Florida stands at \$5,000 per day and \$10,000 per day for all others. Please note that these limits are what you can redeem from all wins on the games. Anything above will stay in your account.

Chumba casino sweepstakes address

Usually, casinos operating under the umbrella of the MGA are not allowed to accept US players, but because Chumba's sweepstakes model does not make it a straight-up casino in the normal sense, it looks like the MGA has given the operator the nod. We will take a closer look at that later in the review as the casino has a small caveat in its terms that every player outside the US or Canada should take note of before signing up.

Considering the issues at sister company Global Poker and the failings of other sites offering such sweepstakes schemes in the US market, we cannot in good faith speak favorably about the Chumba Casino endeavor.

Chumba offers mostly email support which you can access via a form on their help desk site. The casino has an extensive FAQ section which details how the process of purchasing and redeeming works and which explains the concept of social casinos. There's also a support phone number but it's a Maltese number and during our test we didn't have any luck reaching someone there.

If you do have any concerns, remember that Chumba is just one of many social gaming casinos you can find on Facebook or the internet in general, and you'd have to expect that FB would have shut them down long ago if there were any legality worries.

To say the game selection is limited may be a little unfair, but when comparing the library at Chumba to most real money casinos, you'd very quickly see the difference in the range of games.

The Chumba Casino payment options are limited. Players can purchase Gold Coins instantly with several credit cards, Skrill, or Rapid Transfer.

Chumba casino best game odds

Sweepstakes are legal in the US and thus the Chumba Casino is able to operate in most US-States and Canadian provinces, is accepting customers and purchases as well as allowing redemptions of cash prizes.

So as a final conclusion, what's the verdict now we've fully reviewed the platform? Can we honestly recommend Chumba Casino to our readers?

Chumba casino apk download

Currently slots and table games are available at the Chumba Casino, but the number of games is limited. Players can choose from several dozen slots, blackjack, video poker and roulette, and all games can either be played with Gold Coins or Sweep Coins.

Chumba Casino Mobile SiteOther Gambling at Chumba CasinoGiven that the game selection at Chumba barely qualifies as adequate for the casino vertical alone, it's not shocking to see that it has no poker room or sportsbook. Although sister site Global Poker does offer card games, it has a similarly troublesome history and business model, and so you may wish to take your business elsewhere.

This Chumba Casino review will show that it has been running for many years online and on social media platforms like Facebook and boasts over 1 million players. Both are normally good signs in any online casinos, right?

Chumba casino usa

One major benefit in playing at real money casinos is that payout percentage figures are normally listed against the games. This gives you some idea at least of potential returns from playing the games. Unfortunately, this isn't the case at Chumba and clearly can contribute to some question marks over the trust you can place in them.

VGW GAMES LIMITED, CHUMBA CASINO SWEEPSTAKES DEPARTMENT PO BOX #8486 PORTSMOUTH, NH 03801

Chumba Casino sells a virtual currency known as Gold Coins. You can play free games by purchasing a Gold Coin package, but can't trade them, transfer them, or redeem them for money. Essentially you can either buy them, win them, or obtain more in bonus offers or promotions.

How to cash out on chumba casino

So as to get the greatest benefit from any comparison exercise, it's worth comparing against some of the leading real money online casinos. The two most valuable to compare with here are going to be Cafe Casino and Bovada Casino, so let's see how they stack up in comparison to Chumba across a number of different factors:

While the game variety at Chumba is nothing special, you'll still find enough games to play that will make signing up just about worthwhile. In comparison to our other two casinos though, there really is no contest. Both offer a suitably wide range of different games, from casino classics like roulette, blackjack, and video poker, through to slots, keno, and any number of other table games, including a very popular live dealer section.

If you have tried Global Poker, then you will have a good idea of how Chumba Casino's business model works for US players. If not, make sure to read through our detailed Global Poker review to fully understand how the casino is working around the online gaming ban in the United States yet still offers what they claim is a legal product. Please note though that “legal” does not necessarily mean “recommended.”
