Online Casinos are not legal in the US. However Social Casinos and Sweepstakes exist which allow you to play all your favourite games and redeem cash prizes. Here we explain how US players can sign up and play at the Chumba Casino and how they can play real casino games and redeem cash prizes.

If you play at a regular Online Casino you deposit money and play games with that money. If you win something you can redeem the winnings. Chumba doesn't work like that. While Chumba still offers games, the Casino games are free - this is the concept of Social Gaming.

Mt chumba valetta coins gold

To play at Chumba you purchase Gold Coins which you can use to play games. Those coins can also be accumulated in other ways - e.g. you receive free Gold Coins whenever you log in - but buying them with real money is the easiest way. Those Gold Coins cannot be transferred, traded or redeemed for cash prizes at all. They're like play money.

When purchasing Gold Coins players can also receive so called Sweep Coins as bonuses. Those Sweep Coins can also be used to play games. Any winnings players make when playing Sweep Coin Games can be redeemed for cash prizes.

My wife won \$3,200 she played \$400 already she's been trying to redeem her money for the last 30 days this has been a real real hassle for her and me I was going to sign up with chumba but by God if it takes this long to get your money and then they still haven't got things taken care of when she gave them too legit bank accounts that's a problem you don't have no damn problem taking money off the card in fact any bank card you'll take money from them when it comes time to redeem there's no money what's up with that

If you get bonus sweep coins from when you purchase some say for instance they give you 30 sc for the price of 10. Do you have to wager those off first before withdrawal is possible?

Why would the eligible for redemption amount be different than the total?

I need the fucking phone number to talk to somebody I can't get my money

Why does Chumps Casino need your personal info. such as your bank statement, ID, proof of residency, etc.? It's too many hackers/scammers getting people information these days. I won money on the sweeps cash, so why can't a debit card be linked to the account and money be released that way. I've used other online gambling that does it that way and when you cash out it's in your account. Help me to understand

Hi Bernard, You can visit the website at www.chumbacasino.com/ and contact them by submitting a request on their "Contact Us" page.

Ok so if I got 3,000 in sweep coins and wanna redeem would I need 3000 in my bank account as well or am I misreading that part

Is cash out limited to \$10,000 a year or a day? Or \$10,000 is absolutely the limit to cash out

Currently Chumba allows only US-Players (except Washington) and Canadian Players (except Quebec) to redeem their prizes from the site.
