No, it is not possible to claim the bonus many times and the casinos have put in place a policy to ensure that players can only claim the bonus once. This is because you will need to verify your details before you can be able to withdraw money from the casino. Also, you cannot use one IP address to sign up with the casino many times. If there is any modification to your details you will not get paid. Therefore, instead of trying to register with a casino many times you should register with different casinos and claim their bonuses. You can check our site for the list of online casinos offering no deposit bonuses.
