The Creature From The Black Lagoon slot features 2 bonus features, the Free Spins and Respins features.

Creature from the Black Lagoon has to be one of the most stylish slots we've ever seen, and every choice they've made is 1950s B-movie kitsch done to perfection: The sepia toned swamp setting in the background, the 50s pinup girl, the muscle bound and square jawed heroes going to save the day. It all looks great, and with a fantastically tense 50s soundtrack to go with it, as well as extensive and well done animations that could have come from the movie itself, it's a real treat if you're a fan of the film or the genre. The symbols are all unique and include a variety of monster hunting equipment like binoculars, grapple hooks, cameras and scuba gear for the low value symbols. The high value icons are a combination of our heroes and the monster itself, as well as a scuba diving wild to go with them.

The Creature From The Black Lagoon is an outstanding slot with superb animations and explosive gameplay. Though the maximum potential payout is a little on the low side, everything else about this slot, including the above-average RTP rate and bonus features, makes up for it.

I'm a big fan of the retro design in slot machines, and Net Ent is great at doing this sort of thing. They did it again in Creature from the Black Lagoon, using images from that time, including all sorts of objects that the main characters are using while exploring, including oxygen tanks, binoculars, radio stations and so on. The drawing style is the one that you would see in comic books of the time, or in vintage posters with pin-up girls.
