Our guide will take you to a new world of free slots, best casino games, biggest bonuses, and stunning jackpots.

Two brothers from Canada, Mark and Andrew Rivkin, started the company from the family home in 1995. They started out developing encryption technology and an online finance system before shifting their attention to online casinos & games.

Online casinos playtech

One of the biggest assets to Cryptologic slots is that it is under the incredibly far reaching umbrella of Amaya Gaming, which acquired Rational Gaming Group last year, parent company of the infamous Full Tilt Poker. The online casino powerhouse that is Amaya, Cryptologic, and now Rational, will undoubtedly keep Cryptologic a household name for years to come. Look for Cryptologic games at any Amaya-powered online casino, as well as a handful of other online casinos that license Cryptologic slots exclusively.

When playing for real money, they only do so with the money they have or can spare.

Cryptologic was founded in 1995 by two brothers, Andrew and Mark Rivkin. The pair set out to tap into the increasing popular online games market and did so by setting up shop in the basement of their parent's house. Whilst they didn't know it back then, their's was to become one of the biggest rags to riches stories in Ireland.

Online casino cash market

CryptoLogic is a veteran of the online casino world, with their software first being used by InterCasino in 1996. Since then, the brand has produced many casino games and partnered with some big industry names. You can find more than 58 online slots to play at Cryptologic casinos; with many classic styles and themes to choose from, they provide a fun gaming experience that many players love.

You are going to be able to access 7 different variants of blackjack within the Cryptologic software. These include Atlantic City, Atlantic City Progressive, Euro Double Deck, European, Perfect Pairs, Single Deck and Vegas.

Cryptologic slots are dynamic and well-thought out and offer a wide range of betting opportunities, providing a niche for all players to bet, whether high rollers or low budget; large progressive jackpots, like Millionaire's Club; unique features and bonuses; and so much more. Cryptologic themes are diverse and trending with a high attention to detail, offering a variety of ways for online slots players to enjoy their time playing real money slots, as well as free play slots, online.

In 2002 & 2004, the company had their software certified in Isle Of Man and Alderney. The brand enjoys a good reputation, and all of their games have their RNG tested for fairness by TST.

If you manage to collect three Jackpot Tokens, you will win the Jackpot Bonus round. You get one spin of the wheel, aiming to stop on an arrow. This will move you to an inner wheel. Keep progressing through the wheels to the center to take down the progressive jackpot prize and enjoy a huge payday.

Wa online casino site

The most popular game is undoubtedly Millionaire's Club, with the reported average payout from this game hitting \$1.6million alone.

CryptoLogic was acquired by Amaya (now called The Stars Group) in 2012. This deal saw the brand purchased for \$35.8 Million. In 2014 Amaya sold WagerLogic, a subsidiary company of CryptoLogic, for more than \$70 Million.

Roulette lovers will have a fairly limited range of games to choose from, with just 3 on offer. These include American Roulette, European Roulette (min bet \$25) and European Roulette (Max Bet \$25). What's interesting is that on the European game (Min bet \$25) the house edge can be as low as 1.35%, which is half the minimum house edge on all other formats within the casino.

Cryptologic Casinos List With the rise of popularity and a constant supply of new games, online casinos had quickly become a staple of entertainment. Nowad Cryptologic Casinos Site will have everything a player needs to start off with a bunch of gaming options, featuring some really great slots. Most microgaming Online Casinos also offer progressive blackjack (get 3 sevens of the same suit for a neat progressive jackpot. Mega Moolah Jackpot Slot is a multi-level progressive jackpot game with 4 jackpots starting at 10, 100, 10000 and 1 Million dollars / pounds / euros (depending on your playing currency). Cryptologic was established in 1995 by brothers Mark and Andrew Rivkin. They first developed a way of securing online financial transactions and then set out to develop gaming software to complement their product. This is quite significant as these are the people responsible for the first ever online casino: InterCasino.

Some popular slots from this developer are Area 21, Cash N Clovers, Cleo Queen of Egypt, Congo Bongo, King Kong, Millionaires Club, Samba Nights, Street Fighter II, The Hulk, and The Amazing Spider-Man.

Like all well-stocked casinos, Cryptologic offer up a number of other games as well, which include Baccarat, Casino War, Craps, Let It Ride, Caribbean Stud Poker, Over Poker, Pai Gow Poker, Three Card Poker, Pontoon, Red Dog, Scratch cards, Sic Bo and Video Poker.

Online casino back office hiring

CryptoLogic started by producing slot games for online casinos. This has been their primary focus, and they've released more than 58 slots. You can also find some table games like Blackjack, Roulette, and Video Poker from the brand.

These are all games that pretty much all casino players of a certain age can relate to in some form, but the games aren't just standard slots sitting behind a brand deal. They are some of the best games in the industry in terms of futuristic design and the features that they manage to pack in. You might think there is only so much you can do with a 5-reel slot, but these games definitely have something different to give them an edge.

Us online casinos 5 minimums

Our content and offers are therefore only aimed at people who are allowed to play in their respective country and who are not violating the legal provisions of their country.

You may already be familiar with a company called WagerLogic and it was this company that was set up to handle the licensing side for their games on the Cryptologic sector. It was 12 months later in 1996 before they managed to secure their first deal, which came in form of licensee, Inter Casino. In the coming years, they would go on to secure several other deals with the likes of William Hill, Littlewoods, Betfair and Ritz Club, each of which gaining them licenses to different jurisdictions, including the Isle of Man and Alderney Gambling Control Commission.

The style of this game looks a bit outdated, but the symbols are vivid, and many players are attracted to the huge 6000x max win on Kanga Cash. You can try the game in demo mode or play for real money with bets starting at \$0.01 per spin and going up to \$20/spin for those who like high-limit slots.

Al online casinos

Cryptologic casinos offer more than 200 web-based and mobile-friendly online casino games that require no need to download a software platform or apps to your PC, making the user experience all that more effortless. Likewise, most of their games are considered to be Mac-compatible slot games seeing as they can be played on virtually any Mac device. The only limitations the company faces are in certain countries such as the US where laws prohibit their products.

There was a time when Cryptologic were able to offer up games from the Marvel series as well, which actually went head-to-head with the games from PlayTech. If we are being truly honest, they weren't quite in the same league as PlayTech's offerings, and because of Disney purchasing Marvel, Cryptologic can sadly no longer run these games.

Gun lake online casino

In 1996 they made their first significant move when they signed a deal for InterCasino to use their software. Since then, the company grew and offered a range of services for online casinos, including platforms, games, back-end management, and financial systems.

Check out our Bally Technologies review, where we highlight the best free Bally slots, like Quick Hit Platinum and Hot Shot Slots.

The Cleo Queen of Egypt slots game is one of the most famous Egyptian-themed titles online. This game is available in Flash or JavaScript and was released in 2009. The classic five reels layout is nothing new, and the game offers nine pay lines and an RTP of 95.3%.

Mich online casino

However, as the industry grew more competitive and the availability of market space grew ever more precious, the company struggled to make progress from their most profitable years in the late 2000's. This prompted the first part of the merger between Cryptologic and Amaya Gaming, who eventually bought the company in a deal worth \$35.8million. As part of the deal, Amaya sold off WagerLogic to Goldstar for a tidy sum of \$70million just two years later in 2014, before themselves rebranding as The Stars Group.

One of the cool features of Cleo Queen of Egypt is the 9 Crazy Jackpots Bonus. On each pay line, there is a jackpot prize amount. You can increase the prize size by placing larger bets. To win one of the crazy jackpots, you must land five Cleopatra symbols across a line.
