## **888casino online**

However, Dendera Casino does not have a real casino room available for online users just yet. Maybe this opportunity is to come. If you are the casino's registered user, you can sign up to its email news update and see what it is offering each day. You will undoubtedly come across some very interesting promotional opportunities and you should use them as well. Moreover, you will be able to watch the Dendera Casino life and development and be the first to try its new and very much anticipated features.

Dendera launched in 2009. It is licensed and regulated by the government of Curacao. It is currently operated by HoneyDew Trading Ltd., but used to be managed by CyberRock Entertainment N.V.—a questionable company that doesn't provide much information about itself. It also manages Fiz, which is known as a non-reliable location that violates all agreements between the gamer and the casino.

The very first deposit that you make in Dendera casino will get a 100% match up bonus! That should be a minimum of \$25 and a maximum of \$300 (the amount of money can be counted in Pounds or Euro depending on your location). Some online Dendera Casino games are excluded from this promotion, and that are mostly table games like Baccarat, Craps, Roulette, as well as Progressive slot games. So do not forget that when placing your bets. A good thing here is that the bonus money can be withdrawn and you have got no withdrawal limit with this promotion.
