Why casinos but no poker online

For many years gambling in Denmark has been monopolized and controlled by the state-owned company Danske Spil. In 2012, the new Act on Gambling came into force and partially liberalized the Danish gambling market. Nowadays the Danish gambling legislation is viewed as refined and explicit enough to be used as an example for other countries, intending to change their gambling laws.

Yes, Denmark-based online casinos can operate in the country. But, in order to operate legally, they need to obtain a proper license. The Danish Gambling Authority is in charge of these activities as this regulatory body oversees all gambling-related activities and makes sure that the Danish Gambling Act of 2012 is well implemented.

Gode bonusser er alfa og omega, når det kommer til online casino-spil. Det er dog ikke helt så simpelt som det lyder - omsætningskravene skal nemlig også være realistiske, så du rent faktisk har en chance for at hive beløbet hjem. Det nytter ikke noget, at bonusbeløbet er enormt, mens kravene er helt umulige at opfylde.

While not all online casinos accepting players from Denmark accept BTC deposits or offer withdrawals in virtual currency, many do. The bonuses offered may be larger as well by several orders of magnitude.
