- **canon dm-gl2 manual, canon dm-gl2 user manual, dm-gl2 manual.**

Canon brand peripheral equipment and software which may be distributed with, or factory loaded on, the Equipment, are sold AS IS without warranty of any kind by Canon USA, including any implied warranty regarding merchantability or fitness for a particular purpose. The sole warranty with respect to such nonCanon brand items is given by the manufacturer or producer thereof. If the Equipment contains a hard disk drive, Canon USA recommends that data stored on that drive be duplicated or backed up to prevent its loss in the event of failure or other malfunction of such drive. Canon USA shall have no responsibility under this limited warranty for use of the Equipment in conjunction with incompatible peripheral equipment and incompatible software. In order to obtain warranty service, contact the authorized Canon retail dealer from whom you purchased the Equipment or call the CANON INFORMATION CENTER AT 1800OKCANON. You will be directed to the nearest service facility for your Equipment. This Limited Warranty covers all defects encountered in normal use of the Equipment and does not apply in the following cases This warranty does not cover units sold to rental firms, military operations, hotels, schools, hospitals or for other commercial, industrial, or institutional applications. These uses are covered only by such specific warranty as Canon may issue with such sales. This Limited Warranty does not apply to accessories or consumables for the Equipment, which are sold "AS IS", without warranty of any kind by Canon USA. Please retain this warranty card and your Bill of Sale as a permanent record of your purchase. This card is most important in order to be sure you are contacted right away should there be a safety inspection, modification or product recall under applicable laws or regulations. This limited warranty is only effective upon presentation of your Bill of Sale or other proof of purchase. <http://www.kapfenberger-schuetzenverein.at/userfiles/canon-mp600-pixma-manual.xml>

Visit the Canon Online Store An optional accessory for the GL2, the BP945 can deliver up to threeandahalf hours of recording time using the viewfinder only or up to 200 minutes when the LCD screen is used. Times vary depending on camcorder. 7200mAH It will charge one battery at a time. Once the batteries are charged, the CH910, with batteries in place, can be clipped to your belt and then connected directly to a Canon Digital Camcorder. This will give you twice the recording time of just one battery. It can be used with any combination of Canon BP900 series LithiumIon batteries. There is also enough room to store additional battery packs, MiniDV cassettes and the

WD58H wideconverter, etc. The cable connects to your camera and to the USB port on your PC or MAC Computer. Comes standard with the EOS 1Ds Mark III, 1D Mark IV, 1D Mark III, 1Ds Mark II, 1D Mark II N, 1D Mark II, 5D Mark II, 7D, 5D, 50D, 40D, 30D, 20D, 10D, Digital Rebel XTi, Digital Rebel XT and Digital Rebel. Please see Compatibility tab for compatible models. It attaches to the camcorders advanced accessory shoe, providing power and connections without any wires. With a depth of almost 300mm, the case will also hold a range of other accessories in its base, making the package completely versatile. In these safety instructions the word "product" 11.
