Im so used to using a Singer that wont let you put the needle in wrong that when I put the needle in the Dressmaker originally and it went in, I just tightened the screw and thought I was good. Wrong. Once I read the instruction manual and got the needle right... and snapped the thread into the bobbin case and I mean SNAPPED, it ran like a champ. Nice straight and zig zag stitching. Its a nice feeling to know that I got it running again. It now has a new home with my coworker who will love it way more then I did. Doesnt it feel good when you finally get finished with your project. Our twin to your Dressmaker 205, the Dial n Sew, is one machine we wont get rid of. Its soooooo quiet and easy to use. While fashions are updated each season, many can not afford to hit the clothing stores to update their wardrobes.

Now its time to dust off that Dressmaker Sewing Machine and get to building your wardrobe up again. This guide will provide basic instructions for threading a Dressmaker Sewing Machine so you can begin updating your wardrobe for the season. For instructions that are tailored to your specific model of Dressmaker Sewing Machine, check the manual that came with your sewing machine or contact the manufacturer to find out how to obtain a guide. This basic guide is for the Dressmaker brand of sewing machines. Other sewing machine manufacturers may differ in how to thread their machines. Best practice is to consult your manufacturer for optimal performance of your machine. Something went wrong. View cart for details. This auction is for Personalised Sewing Machine 7.5 Inch Round Precut Edible Icing Cake Topper Perfectly Finish Off Your Store Brought Or Homemade Iced Cake With This Custom Made, Printed To Order Design, Personalised With The Name Of Your Choice. Any watermarks of my logo or name shown across the pictures on my ebay listings are to protect the imagery only and will not appear on the finished product you receive. I HAVE MANY MANY POPULAR CAKE TOPPER DESIGNS FOR ADULTS AND KIDS ALIKE SO PLEASE JUST ASK IF YOU CAN'T SEE WHAT YOU ARE LOOKING FOR! 7.5 Inches in diameter is the biggest size this round design can be printed, but the design can be adjusted in size to fit smaller cakes if you wish, just let me know the size you need! Only the 7.5 inch size is precut, any smaller sizes will need cutting out with scissors. The latest technological advancement in cake decoration. All my cake topper designs are printed on high quality sheets of edible icing using specialised edible food colouring inks. Each sheet is a thin piece of white icing, attached to a plastic backing sheet to make it easy to handle. When removed from the backing sheet the edible icing is extremely pliable and manageable without cracking or tearing. They are very simple to use, and each topper brought from me will come with instructions. Edible Icing Sheets are completely safe for human consumption, made from 100% EC approved ingredients.

My printed cake toppers have a shelf life of six months so can be ordered well in advance of your special event, with no need to wait until the last minute. I aim to print and post your order within 3 working days sometimes sooner depending on my dispatch schedule that week of receiving your cleared payment, but please order at least 7 working days in advance of when you need them, to account for any unforeseen circumstances that may arise, and to avoid disappointment. Weekends and UK Bank Holidays are not working days. Please send me a message if you would like to do this as these are a slightly different price and need to be ordered from my separate eBay listing. I can also create cupcake toppers which are particularly great for kid's parties. 24 round 1.5 inch diameter cupcake toppers can be printed onto one sheet. Cupcake toppers are also uncut and will require cutting out with scissors. Icing sheets contain the following ingredients Water, Starch maize, Dried Glucose Syrup, Humectant Glycerine, Sweetener Sorbitol, Colour Titanium Dioxide, Vegetable Oil rapeseed, Thickener Cellulose, Emulsifier Polysorbate 80, Flavouring Vanillin, Sucralose. The production of all toppers advertised and sold as personalised items will only go ahead once I have

received a message from you. I do not send them out blank without any writing included unless I receive a message from you specifically asking for that. The estimated delivery dates provided by eBay assume that I receive the personalised details required at the time of ordering, if this doesn't happen it can cause a delay on the order. If when I come to process your order I find that I haven't yet received a message for the personalisation I will contact you via eBay messages to ask for this information. Also, don't forget to let me know the date by which you need to receive your topper. Thanks for looking! Don't forget to checkout my other items! Payment is due within three days. I will on occasion accept other forms of payment, but you must contact me first for preapproval. If payment is not received within five days, I reserve the right to relist the item and file a NonPaying Bidder Report with eBay, Shipping Shipping occurs usually 17 days after payment is received and cleared. I ship most items through the US postal service or Fedex domestically. For more delicate items I prefer to ship Fedex. I charge actual shipping, plus a small Auctiva insurance fee. Occasionally shipping will differ from the eBay calculator and adjustments will be made accordingly. I only charge for packing materials for large or very delicate items as stated in listings. International Shipping I do ship most items internationally. I will ship items with a boxed weight of less than 4 lbs. For heavier or larger package I will offer USPS Priority or Global up to their maximum size and weight. Buyers are responsible for all import fees, tariffs, Taxes ETC.

For insurance claims all packing materials and the items shipped must be retained to file a claim, so in order to receive a reimbursement for shipping damages I also require packing materials and boxes be retained. Occasionally the insurance company will reclaim the entire item. Terms of Sale Please read the description carefully. Vintage items by their very nature will have some wear. Please feel free to ask questions. There are no warranties expressed or implied although I will almost always accept returns for the purchase price. I try to be as accurate as possible when describing flaws and condition. Items will have minor imperfections intrinsic to the piece and wear consistent with age and use. I try to describe appearance and condition as carefully as possible but of course no one is perfect. Please feel free to email any questions or ask for clarification. I describe the items to the best of my knowledge. Contact me if you have any problem with an order you receive before leaving feedback. I strive for %100 feedback rating and try to quickly resolve any issues as they arise. I do insure virtually all packages. If you decide to leave negative feedback before contacting me or opening a case, I will have less options in helping you as per eBay protocol. I reserve the right to cancel bids from bidders with private or negative feedback. Contact Us Please feel free to contact me before bidding or after purchase is made.
