Take all the practice tests Our 12 tests are designed to cover all the need-to-know information from

the Drivers Handbook. Ace them all, and the official test will seem easy. Pass your G1 test at DriveTest When you've prepared sufficiently, it's time to make your appointment at the DriveTest Centre. You'll be ready to pass on the first try. Based on the MTO Driver's Handbook Questions designed to feel just like the real G1 test Specific to Ontario While some sites will provide you with a mix of questions based on MTO G1 rules and questions based on other sources, we write all our original questions with information straight from the official Driver's Handbook. Current and correct Our practice tests are written using the latest version of the Handbook, so they're always up to date. We monitor when a new issue comes out, and update any questions if necessary, so you're never dealing with out of date test information. Almost like the real exam Because we design our questions to feel and our tests to function just like the real thing, you'll be better prepared than if you just study using the Handbook. The right way to prepare A perfect companion for the Driver's Handbook Prepare more efficiently It can be difficult to keep track of all the information in the Driver's Handbook. Practice tests are a way to help you integrate that knowledge and reinforce it without rereading the same dull material. Learn from your mistakes Instead of marking you incorrect and simply supplying the correct answer when you get a question wrong, each question has an explanation so you'll understand why a certain answer is correct and be able to remember it next time. Know what to expect G1 Test Prep with Guidance, Not Guesswork Structured like the real G1, too All of our tests require you to achieve the same pass rate as the real exam. We've structured them to get you familiar with not only the material, but also the G1 test format.

Lose the fear of the unknown One of the most important functions of our practice tests is that they will help make both the questions you face, and the test itself, feel more familiar. On your big day, you'll be prepared. Study more effectively when you're motivated Instead of giving up when things get too boring, G1.ca encourages you to keep going with compliments on your progress and suggestions to help you achieve more. Gamification Learn while having fun Learning to drive while having fun It can get boring and monotonous going through the Driver's Handbook. That's why our tests turn learning new things and retaining that knowledge into a game. Don't study play The more you want to play, the better prepared for your test you'll be. By the time you've mastered all our tests, you'll be almost overprepared for your G1 test. Online and offline Instead of wasting time when you're stuck waiting around somewhere, study on your phone using our free app. The app features all the tests on the regular G1.ca website. What's a G1 test Ontario G1 Test All new drivers in Ontario must take a G1 knowledge test also known as G1 written test. The official test is created by the Ministry of Transportation MTO and is offered in all DriveTest Centres. The test is available on paper at all locations across Ontario, and on computer at some locations. No appointment is required make sure you come at least one hour before the DriveTest centre closes though. There are 40 questions on the official G1 test, and they are all multiple choice. The test is not timed. You'll receive two test sheets, each with 20 questions. The first set of 20 questions is about road signs, while the second one is about the rules of the road. You'll need to get 16 or more questions right on each of those two sections in order to pass your G1 test the total passing score for both sections is 80%. Your G1 knowledge test will be marked on the spot, and you'll receive your results immediately.

The results of your G1 written test are valid for one year. The accompanying driver must sit in the front passenger seat. The G1 driver must not drive if they have been drinking alcohol. Each person in the vehicle must have a working seatbelt. Frequently Asked Questions Collapse all How old must I be before I can apply for a licence in Ontario. Collapse all Taking Your Road Test Driving Exam in Ontario Frequently Asked Questions Collapse all Who may bring me for my road test in Ontario. G1 drivers must be accompanied by a G licensed driver who has had their licence for at least four years. What must I bring with me the day of my road test. Bring your vehicle and current licence. Where is the easiest place to take the road test in Ontario. Some believe that Aurora, Simcoe, and possibly any place in Northern Ontario are the easiest places to take the road test. Anywhere out of the city may be the easiest places because there is less traffic to contend with. Consider this, if you need an "easy" place for your road test, you may not be ready for the realities and responsibilities of the road. What can I do in order to pass the Ontario road test the first time. Adequately prepare yourself and show the examiner that you are well alert and well aware of the road. Since Ontario's expectations are different from those in other

provinces, you will do well to read Chapters 2, 3 and 6 of the MTO Driver's Handbook to see what will be expected on the road test. What things should I keep in mind when taking my drivers test in Ontario. Here are some tips that will help you look great in front of the examiner. Give exaggerated head movements in order to show that you are aware of the traffic around you. Try to drive the exact speed limit. It's ok to drive a little under just don't go over.

Also make sure that your speed is practical for the situation. Use, use, use those turn signals Drive slowly through parking lots Follow the rules of merging and exiting from a highway What common mistakes would cause me to fail the Ontario road test. We know you want to do your best to not make any mistakes that would cause you to fail your road test. Here are errors that applicants seem to make often Recklessly changing lanes by not observing blind spots Making "rolling" stops instead of complete stops at stop signs Turning into the wrong lane Disrupting traffic by going too slow Merging onto a highway more slowly than the speed of the highway traffic Riding with distractions in the car Speeding Lack of vehicle control What will I have to do when I take the driver's test in Ontario. Don't worry about being confused on what to do during your driving exam. Before the test begins, the driver examiner will explain to you everything you will be required to do. You will be asked 2 questions before the test begins Do you require glasses or corrective lenses for driving. Do you suffer, or have you ever been advised by a physician that you suffer from heart disease, stroke, diabetes requiring insulin to control, epilepsy, seizure disorder, loss of consciousness or awareness, or any other medical condition or physical disability that may affect your safe operation of a motor vehicle. Your vehicle will be checked in order to see if it properly functions. You will then proceed in showing the examiner how well you do the following Use your signal and brake lights Use your accelerator and brakes Adjust safety devices Back up Observe other cars Overtake and pass other vehicles Obey all traffic signs and laws Do I have to Parallel Park on the Ontario road test. Yes, you will be required to parallel park. Only if you normally use glasses or contacts to see with. In fact, one of the first two questions the examiner will ask is if you wear glasses or contacts.
