

Life in the US

Hi! I'm Jack from the US. I would like to tell you my life in the US. It's December now and the weather is cold here. Winter in the US is from December to February. People like to go ice-skating in ice rinks. My friend Richard is good at ice skating. He goes ice skating with his brother and sister on Wednesdays and Saturdays. He has a pair of ice skates and they're 100 dollars.

There are many holidays in the US. New Year's Day is on January 1st. We don't go to school or work on that day. We have a good time with our family. I play soccer with my brother and cousins. Mother's Day is on the second Sunday of May. Dad and I cook a big meal for my mom. Fish is her favorite food. Thanksgiving is on the fourth Thursday of November. We eat turkey and potatoes together at night. We write thank-you cards and give them to our family and friends on Thanksgiving Day.

Do you want to come to the US? I hope to see you there soon!
