

## Jack's Dog

Spot is a happy and nice dog. He has a friend, Jack. Jack is a good boy.

Spot has 5 oranges and 2 eggs. He gives his oranges and eggs to Jack. "Thank you. You are a good dog," says Jack. Woof! Woof! Spot is happy. It's time to go home. Oh, no! Spot meets a mad dog. It is thin. Spot is not worried. He says, "Let's walk!"

The next day, Spot goes to Jack's home again. He has 20 oranges and 3 eggs. He gives them to Jack. "Thank you. You are a good dog," says Jack. Woof! Woof! Spot is happy. It's time to go home. Jack says goodbye to Spot. Oh, no! Spot meets two mad dogs. They are short. Spot is not worried. He says, "Let's walk!"

Soon, Spot goes to Jack's home again. Oh no! He meets five mad dogs this time. Now Spot is mad, too. He cries, "Go away!" The eggs and oranges are gone. Sad Spot! Sad dog!
