

Leo and Piggy

This is a lion. Its name is Leo. This is a pig. Its name is Piggy. They are good friends.

One Sunday, they take a walk in the woods. Leo looks at the clock and says “It’s 12 o’clock. It’s time to eat!”

After 10 minutes, Piggy looks at the clock and says “It’s twelve ten.” How slowly time goes!

Leo is hungry. Piggy is hungry, too. They walk in the woods and look for food. Soon, Leo feels thirsty. Piggy is thirsty, too.

Leo takes out his map. They want to find some water on the map.

“Is that water?” Leo asks. “Yes, let’s go!” says Piggy.

Leo and Piggy find some water, but they don’t want to share. They fight in the woods. They are hurt. Leo is mad. Piggy is mad, too.

Now no one can drink water. They feel sad. “I am sorry!” says Leo. “I am sorry, too!” say Piggy.

After this time, they know how to share with their friends. They are happy.
