

## Monster Shopping Trip

Hairy Henry is a handsome monster. He lived in a small house in the village. All his monster friends lived nearby.

Soon it is Hairy Henry's birthday. His two best friends Luna and Gordon decided to buy him a present. "Do you have any ideas for Henry's birthday present?" said Luna. "I don't know." said Gordon.

"Ah! I have an idea. Hairy Henry's cousin, Big Ben lives in London. We can visit him and ask him what to buy." said Luna. "Great! Let's head up to London."

Luna and Gordon took the train to London. Big Ben waited for them at the station. "Good to see you guys!" said Big Ben. "Good to see you, too. We want to buy a birthday present for Hairy Henry." said Gordon. "I know a place to go shopping. There are lots of shopping malls on Garden Street. Let's go." said Big Ben.

Then they took the subway to Garden Street. First, they went into a computer shop. "Wow! There are lots of computers and games." said Luna. They bought a special monster computer game. "Hairy Henry will love this." said Gordon. Next, they went to a smart clothes

shop. They went to the special floor and saw some smart ties. Big Ben picked a blue smart tie and said, “Wow! This tie can sing Happy Birthday song. Let’s buy it.” Finally, they went to a cake shop. They bought the biggest cake in the shop. “Hairy Henry will love this cake.” said Luna.

The next day, Luna, Gordon and Big Ben collected all the presents together and took the train back home. They went to Hairy Henry’s house and held a birthday party. Hairy Henry was surprised to see them. “Henry, these are the presents for you!” said Big Ben. They turned on the smart tie and sang Happy Birthday song together. What a lovely day!
