At 2:00, a man drives very fast. He doesn't do up his seat belt. Dino stops the man and says, "Please do up your seat belt."

At 4:00, a man drives on the road and talks on his phone at the same time. Dino stops him and says, "Please don't talk on the phone while driving."

Dino goes home at night. His mom makes him some steak and soup and says, "You're a good dog. Have some good food!" "Thank you, Mom!"
