Review of Yaamava' Resort & Casino. The San Manuel casino is not a casino as Las Vegas offers- it is a rip off outfit., The gambling is confiscatory, made to fleece the average gambler, and the slots are indeed \*one armed bandits\* The buffet is not worthy of an army mess, the food is uninspired, and the cost of \$21 a head is outrageous.

Ans: There are so many types of casino games in India. The industry is constantly growing, with new types in creation. From old-school poker to sportsbooks to horse racing betting to live casinos to the famous Teen Patti and Rummy, the list goes on. Choosing a type to ride with depends on your preferences and interests. Are you a football fan? Then your type is sports betting. Either you pick, you get the feel and thrill you would most certainly love. Most people are into sports betting and poker. These two are the most popular ones.
