While the VIP live roulette is played at a VIP table makes use of the same standard gameplay, payouts and bet types, it is better than the regular game in terms of the quality of the video, the layout and female croupiers hosting the game. What is even more appealing is the fact that the game supports live chat and full-screen viewing.

In particular, Live Roulette can be played in Portrait and Landscape modes. Both offer a truly great experience. My personal preference is for desktop play, with landscape on a tablet being a close second. I don't like playing on my phone, but that's just a personal preference.

The thing that I did not like about the bonus terms at LiveRoulette was that the casino does not emphasise that these bonuses are mostly meant for slots. When I dug in a little deeper, I found that all live casino games only contribute 15% to the wagering, whereas normal roulette tables contribute 10%.

Our team at LiveCasinos.com did a lot of research and tested numerous live casinos. We used all of the acquired information to make live dealer casino reviews, as discussed above. These, in turn, help our visitors to save precious time and find everything they need to know about live casinos in one place. Finally, we made sure that those who visit our site will join only safe and reliable casinos which are listed here on LiveCasinos.com.

You'll find plenty of casino site reviews online, and all of them have their own idea about what's important. That's fine, but our standards are based on working with live casinos for decades. It's also important to understand that we specialize in live dealer casino games. This means that the world's greatest slot collection won't earn any points in our book. Our casinos are ranked strictly on how they perform for live dealer gaming.

## **Roulette review live casino**

Finding the best live casinos online and recommending them to our readers is a big part of what we do at Live Casinos. How do we do that, you might ask? First of all, we research these sites and write unbiased, in-depth live casino reviews. These cover all the information you need about the top live casinos in 2022, making your choice a lot easier. Secondly, we carefully categorize these sites according to our high standards and industry norms. The casinos are grouped in categories or arranged based on live casino ratings and lists. This ensures that you're always getting the best results possible.

Why are we telling you this? Well, it's the easiest way to explain why we think some casinos are better than others. Understanding our review process is key to understanding why we're recommending some casinos over others. Below, you'll find a sort of checklist that covers a part of what we do here at LiveCasinos.com.

Whether this will change over time is currently unknown. As such, we'll be using said live casino for this Authentic Gaming Grand Roulette review. On the plus side, this means that details such as table limits are fixed. The minimum bet for these live tables is £0.20, but high-rollers can go up to £5,000 per spin.

Our casino site reviews take this into account, and we strive to recommend casinos based on your country of residence. A little bit of effort can go a long way in making your new live casino feel like home.

Naturally, the moment something proves attractive and profitable, the competition grows and the choices before you increase. A few years down the line we might have thousands of options. Newbies can sometimes get confused and unable to choose which one of the numerous live casinos to join. This is where live dealer casino reviews come into the picture.

"Are live casinos safe?" is one of the most common questions we get, so we're glad our readers take this seriously. The safety of a live casino depends on many things. Telltale signs of a secure casino are responsive customer service teams and careful, multi-factor identification for payments. There are other, more technical factors as well. These include a casino's SSL encryption – the process by which they keep site traffic secure from outside interference. When it comes to live casino security, everything short of perfect is unacceptable in our eyes.

Before hitting on the positives, let's just get the one negative out of the way. The 3-part welcome bonus at IamSloty Casino is not going to appeal to fans of live games. You cannot use those titles to wager the bonus funds. That said, there is an excellent 20% live cashback promotion that you can use. It is specifically for live casino titles. As for the positives, there are many. There are 5,000 casino games, 100 of which are delivered in a live format. The suppliers that specialise in this vertical at IamSloty are Evolution, Pragmatic Play Live, BetGames, and Ezugi. IamSloty also has a strong reputation and even stronger licensing from the Malta Gaming Authority. When you need assistance, 24/7 support is never far away and you also have an excellent FAQ page to help in those situations. As for your payment options, you can choose from eWallets, bank cards, vouchers, and bank transfers when depositing or withdrawing your EUR, USD, NZD, and INR fiat currencies.

While the welcome bonus worth up to €/\$450 / NZ\$650 in bonus cash across your first three deposits is not for live casino games (you cannot wager on your bonuses on these titles), there is a 20% cashback deal designed specifically for these games. The great part is that all cashback you receive comes without any wagering requirements. Read our bonus section above to learn more.

Live casino gameshows have enjoyed massive popularity as they appeal to a wide range of players. There is no need to be an experienced player to do well, which is the case if you want to play blackjack or some other casino games. The games are simple, fun, offer low stakes, and can pay out big. If this is a vertical you love, then check out the titles that each of Evolution, Ezugi, BetGames, and Pragmatic Play have to offer.

If you enjoy playing video slots and deposit a minimum of €/\$10 / NZ\$15, you can claim each of the bonuses offered as part of a 3-part welcome bonus at IamSloty Casino. That could bring match deposits worth up to a combined €/\$450 / NZ\$650. The bonus cash carries 40x (bonus + deposit) wagering requirements which you must complete within 30-days.

Established in 2021, IamSloty is another live casino that has plenty going for it. In fact, I cannot think of many reasons why anyone should avoid it. First, it has a solid collection of games that totals over 5,000. More than 100 of those are live casino titles, which I am sure you will agree is a decent number. However, it is the developers behind those live games that will appeal the most. You not only get access to Evolution's full and entertaining portfolio but also those of Ezugi, Pragmatic Play Live, and BetGames. Between those four, you get to enjoy a variety of styles, titles, and environments.

## **Las atlantis casino online reviews**

Of course, while the game collection is a big priority when choosing a new online casino to enjoy, there are other considerations as well. For starters, IamSloty is an MGA-licensed online casino, which means one of the most respected iGaming authorities regulates it. On top of that, you can deposit and withdraw using EUR, USD, NZD, and INR and can sign up from numerous countries, including Ireland, India, South Africa, and New Zealand. Throw in 24/7 customer support, a 20% live cashback bonus, a loyalty program, and a stellar reputation, and you can quickly see why I rate this platform so highly.
