And for those who do not feel comfortable playing against a computer, there's been a recent movement in NJ toward live dealer games. Golden Nugget Casino was the first to go live with these online-live hybrid games in August 2016, and we expect more online casinos to follow. In December 2017, the casino began offering a live dealer poker game, Casino Hold 'em, which is the first of its kind in the US.

As the newest NJ online casino, Bally doesn't yet have a large variety of slots and table games. However, it still has the favorites.

This offering is not unexpected, as slot machines have been the main draw of land-based casinos since well before the online era. Advances in technology have only facilitated the slot explosion, as today's games allow for much greater game variety, worlds are more exciting and no longer require players to lug around buckets of coins.
