No, all regulated online slot machines are completely fair. The results are random every time, meaning that nothing in the game is rigged. To ensure fair play, only choose slots from approved online casinos, such as those we list on this page. Playing at any of these will give you a fair chance of winning.

Jackpots are easily one of the biggest draws for online casino players, adding an extra layer of fun to games like slots. They offer huge, sometimes life-changing prizes, without players having to wager big amounts. Typical jackpot prize money is decided before the game begins, so you know exactly how much you could win. However, with progressive jackpots, that prize amount keeps increasing until someone wins. You can find plenty of jackpot slots games and progressive slot machines on offer at our top recommended casinos.
