PIN UP online casino: what to play? The gaming club offers its users a wide range of gambling games. We present the most interesting options from each section. They are very popular on the gambling site. Video slots (slot machines) Virtual slots are the most common among users. It is with their help that you can win large sums and jackpots in the shortest possible time. At the same time, there is no rivalry with other users, unless the slot machine has a progressive jackpot. From the classics, it is worth highlighting the following virtual slots:

1. Crazy Monkey. Simple and concise design. Here you need to collect the same characters. The risk game will help to increase the winnings several times.
2. Fruit Cocktail. Features a simple design. There are few bonuses here, and therefore the game is quite easy and suitable for inexperienced users. It is enough to spin the reels, collect fruit combinations and win.
3. Divian Fortune. A distinctive feature of the video slot is floating wild symbols. They expand along the drum. Three fixed jackpots are won through the bonus game.
4. Money Trail 2. The slot is a hit in 2020. Has huge winning potential. The bonus game can give over 10,000 wagering prizes.
5. Book of Santa. A great option for the Christmas mood. However, it is also popular in summer. Here you need to collect Santa's books, activate free spins with expanding symbols.
6. Aztec Sun. The slot is made in the style of the ancient Aztecs. It has three fixed jackpots. Made in the form of a 5x3 drum. There are 25 pay lines in total. The jackpot is presented in three levels, the most profitable of which is the Grand.
7. Golden Colts. The style of the Wild West does not bother anyone, and therefore the slot is very popular. Here are 5x4 reels. There are 40 paylines in total. There are also 7 bonus games launched here. All of them have features that bring big winnings.
8. Book of Sun. The style of Ancient Egypt still amazes many: huge pyramids, sarcophagi and treasures distinguish this theme. In total, 5 reels are made here. The number of paylines is 10. Each winning amount can be increased up to 5 thousand, depending on the bet made.
9. Hummer of Vulcan. The slot is made in the style of heavy metal and red-hot lava. The main character here is the lord of metal. He creates weapons and ornaments for the gods of Olympus.
10. Champions of Rome. Fight with gladiators to get a big win. Many bonuses will brighten up the game, increasing the amount of payments. The slot is made up of 5 reels, 3 rows and 20 pay lines. This is just a small list of slots that you can play on the PinUp website is real or fake. For users, new items are also presented here, such as Aviator, Nights of Egypt, etc. Everyone will find something to do.

Entertainment with live dealers Sometimes you want to try your hand with real players for a big win. For this, it is not necessary to wait for tournaments. The site presents a lot of entertainment with real dealers. Live players join the game: real communication diversifies your holiday. Here it is worth highlighting:

- Hold'em. A distinctive feature is the absence of restrictions on the number of players. The main goal is to collect a winning combination and defeat the dealer.
- Monopoly. Many people remember this game from childhood. However, there are a few different rules here. It is necessary to guess the segment where the wheel will stop after the rotation.
- Roulette. Gambling classic. The rules of the game have not changed, and therefore even beginners can play. The main thing is to guess the color or number that the ball will land on.

There is also everyone's favorite Baccarat with Blackjack. You can play in Crazy Time: place your bets and the winnings depend on how the wheel spins.

How to play at Pin Up casino Access to entertainment for real money can be obtained only after registration. The procedure is simple, and therefore does not cause difficulties for even beginners.
