Casinowhizz.com brings you the best RTG or RealTime Gaming casinos that are safe. Who is RealTime Gaming and what makes its casino games so special? RTG casinos have been developing games for the new United States online casino market for more than 20 years.

Rtg instant play casinos

Moreover, RTG is one of the few software providers that accept USA online casino players from the United States and Australia.

Hundreds of internet casinos currently offer RTG instant play and mobile casino games online. Players can play slots online for real money, roulette, blackjack, video poker, progressive jackpots slots, and live casinos.

The best RTG USA casinos have licenses in jurisdictions such as Curacao, Costa Rica, and Panama. As such it makes every RTG casino legal! That's not all. Our top RTG casinos list the best slots online and incredible bonuses on deposit. Finally, our FAQs addresses some of the most important questions casino players ask about RTG casinos. Before you sign up and deposit at an RTG casino, please go through it.

Rtg play instant casinos

The Casinowhizz team reviews each new RTG casino independently for Americans. Once you sign up at an RTG casino. Our best RTG casinos give you a bonus on deposit as well as free spins. The deposit bonus is not only essential to your bankroll. More importantly, the bonus enables you to play high variance RTG slot games like Cash Bandits 3 .

As a developer of casino games online, RealTime Gaming opened its doors for business in 1998. That's a long time ago and it serves as a testimony of how safe RTG's software really is. RTG operates out of sunny Costa Rica and belongs to Hastings International. As we said previously, RTG focuses primarily on the USA and Australian casino markets.

In our next section, we talk about the various games of each RTG casino. Online casino players can play slots, blackjack, roulette, video poker, jackpot slots, and specialty games.

Play casinos instant rtg

Once you sign up at an RTG casino and you open up the game lobby of the casino. You have a choice between free instant play or download software. The bulk of the casino game software is slots. The remainder of RTG's gaming products are specialty types like bingo, scratch cards, and keno. If you don't want to download the software of the RTG casino, the flash version is the way to go.

RTG covers plenty of slot machines like 3D, video slots, classics, and jackpot slots. An RTG new slot game with plenty of free spins is Achilles Deluxe slot. The casino game's theme is about the epic heroes of Troy. You'll see Achilles, Paris, the beautiful Helen of Sparta, and Agamemnon. The graphics are of an exceptional quality plus an epic soundtrack complements it even more.

Before you deposit cash to play the casino game, play the slots for free first. Sign in to the RTG online casino count and click on 'Demo' mode – start playing!

Play casinos rtg instant

Other noteworthy RTG slot machines are Witchy Wins, Secret Jungle, and Mermaid's Pearls. They offer big jackpots, plenty of free spins, and RTPs above 96%.

RTG gives you a choice to play table games like baccarat, blackjack, European and American roulette, and craps. When you play blackjack for real money the graphics are slick and it uses the standard 52-card deck. Make sure you always stand on a soft 17, and when the dealer deals you two Aces, split your cards.

RTG online casinos offer plenty of progressive slot machines to players from the United States. Our favorite jackpot slot games for USA casino

players are Megasaur, Shopping Spree, and Aztec's Millions. The latter progressive online slot offers a life-changing payout of more than \$3 million to gamblers from the United States!

Instant play casinos rtg

RTG casino software relies heavily on HTML5 software since it also caters to video slots players on-the-go. The mobile casino opens up seamlessly on phones. And, to experience the full effects of the visuals – play the games in portrait mode.

There are many top RTG USA casinos but we'd like to single out Sloto Cash. For the simple reason, it runs promotions where high rollers receive a bonus of \$7,777 + 200 Free Spins! The casino clears payments quickly through Bitcoin, Visa, MasterCard, Wire, and Checks.

BoVegas Casino throws in plenty of bonus money to the tune of 300% up to \$3,000. As you play it rewards you with comps which you can exchange for money. Moreover, it has some kick-ass tournaments for cash players too.

Instant rtg play casinos

Ignition is arguably one of the biggest and safest casinos online for players from the United States. With its certified RTG games, spectacular bonuses, customer support, and bank options; the casino can do no wrong in our books.

It's entirely up to you. Bear in mind RTG targets the United States and the Australian market. So, if you're from Europe or the United Kingdom, you have access to a wider variety of software providers with improved visuals. RTG received some criticism. The graphics and the mechanics of the RTG games are below that of the industry standard.

However, few casinos can match the size and the variety of the bonuses on deposit like RTG. Players looking for big bonuses on their first deposit will feel right at home at our best RTG casinos. Once you claim a bonus don't forget to make the minimum deposit and to provide the bonus code for it.

Casinos play instant rtg

Furthermore, RTG casinos give the player a no deposit bonus code. The size of the bonus code is \$25 to \$30; you can use it to test the casino's software for free. If you won some money and you want to cash out your no deposit bonus code. You must make a small deposit.

More than 60% of an online casinos' players base are mobile slots players. Compared to the amount Microgaming or NetEnt's mobile slots offer, RTG casinos still have a lot of ground to cover. Despite entering the mobile casino market late they are catching up fast! They cater to HTML5 games which means their games are fully functional on iOS, Androids and tablets.

You can download the RTG casino's mobile app onto your phone and start playing immediately. The most popular mobile slots are Spirit of the Inca, Aztec's Treasure, Achilles, Mermaid's Pearl and Stardust. They look neat on mobile phones, and you can play them from anywhere at an Android casino.

Rtg instant casinos play

It's not only about mobile slots. Our RTG casinos cover table games like blackjack, roulette (American & European), baccarat, craps, Red Dog a Live Casino, video, bingo, keno and scratch cards. In general their products are good, but not near as sharp as Microgaming's for instance.

RealTime Gaming has been so long in business we can honestly say with age comes trust and reliability. RTG casinos offer in excess of 300 plus casino games of which the majority are slots. They always pay on time, but depends largely on which deposit option you use.

Due to gambling laws in Australia and America we won't advise you to use credit or debit cards rather use Bitcoin or any virtual currency instead. A cryptocurrency like BTC is cheap, fast, and pseudonymous. When you play a progressive jackpot at an RTG casino remember that they pay wins in installments. There are cases where certain RTG casinos did not pay progressive jackpot winners. This is why it is important that you only play at the RTG casinos listed at Casinowhizz.

Casinos instant rtg play

As a matter of fact, they do. RTG casinos offer the biggest deposit bonuses of any casino online. The size of the RTG casino's bonus can be anything from 100% up to 500%.

Yes, it is. Each RTG casino online uses state-of-the-art SSL encryption keys that protect your bank and private details.

RTG has a variety of progressive slot games of which Megasaur and Aztec's Millions are the biggest. When you play a progressive jackpot slot at an RTG casino. Remember, the casino does not pay progressive slot wins in full. Instead, RTG will pay the player in installments of up to \$15,000 until the casino pays the full amount.

Casinos rtg play instant

Absolutely. The casino games are random thanks to a random number generator. For example, when you play a slot machine, the RNG determines on which spin you'll receive a payout.

Moreover, companies like TST and iTech Labs test the RNGs for safety and trustworthiness. The only downside is that each individual RealTime Gaming casino does not post the RTPs of its games.

Our top online RTG casinos accept Bitcoin, XRP, Ethereum, Bitcoin Cash, and Dogecoin. They also accept Visa, MasterCard, E-wallets, Checks, and Wire Transfer. The weekly withdrawal limit of an RTG casino is \$2,000 to \$15,000.

Play rtg instant casinos

Before the RTG casino okays your withdrawal. You must email the casino a copy of your passport, a bank statement, and a utility bill. When you use a credit card email them a copy of the front and back end.

RTG casino games are trusted for their high-quality programming, excellent graphics, and immensely entertaining games. In addition to this, casino games made by RTG are guaranteed to be safe, using 128-bit encryption to secure all financial transactions.

There are a lot of old and new RTG USA casinos that use games that are provided by the company. Most RTG casinos for US players offer between 40 to 50 free spins for all new users and a deposit bonus up to at the very least \$100 in free playing money.

Casinos rtg instant play

RTG is now one of the most popular online casino platforms that is available to U.S. players. Its continued dedication to research and development has helped to drive its growth online and gain loyal followers. Many online casinos use Real Time Gaming as their software provider of choice due to their excellent reputation and impressive games. For info on casinos that offer a deposit bonus and free spins, check out our list below: RTG Casinos USA.

Beyond the development of excellent customer-facing games, RTG boasts some of the most advanced backroom management tools. This makes the software provider highly attractive to online casino operators looking to simplify their daily activities.

Backroom management involves all the tools and processes necessary to run an online casino efficiently. This includes all membership account management, transactions, security, customer service, and game operation. Using the Admin tool, RTG online casinos can create and display marketing content like banner and video ads. These can be linked to games, bonuses, coupons, or external websites.

Rtg instant casinos play

RTG also offers ready-made casino templates that operators can choose from for quick and easy launch of a website. This can be altered by the RTG art team to add a unique feel to them. Operators can set their own deposit bonus, assign what games get free spins, and customize table games.

Detailed information is available for all software and casino operators can customize all RTG games with their own logos and branding. RTG casino games range from simple real money slots to casino table games, card games, and others. All games come with a range of added features like welcome bonuses and free spins. Most USA RTG casinos offer a 100% deposit bonus and free spins when you sign up. Check out our RTG casino list below.

High Payouts Customizable video and audio settings Adjustable game tempo Automatic updates Support for multiple games simultaneously Progressive jackpots Free spins Fair play Multi-reel video slots up to 9 rows Huge selection of video poker games Live dealer roulette, Live Dealer Blackjack, Live Dealer Baccarat Fast Payouts

Play instant casinos rtg

RTG software covers all areas of the casino, from slots to card games and everything else. All new players at an RTG casino get a deposit bonus, free spins, and other extra features.

RealTime Gaming is famous for its huge collection of video slots games. RTG video slots range from simple 3-reel fruit machines to complex 9-reel machines with multiple paylines.

RealTime Gaming has made two versions of its Bubble Bubble game, a slot themed on witchcraft and magic. It's a 5 reel slot with 50 pay lines and has proved highly popular for its spooky yet cartoonish decor. Get bonus free spins with Wild Witches, Scattered Cauldrons, or the Great Ghost for 20 free games!

Rtg instant play casinos

Another 5-reel slot with 25 pay lines, Gemtopia follows the formula of a classic fruit machine slot game. Match any of the beautiful gemstones and rack up the coins in this traditional take on video slots. Hit the expanding wild symbols to get free spins and then retrigger them with sticky wilds to get on a continuous winning streak!

Fans love this crime-themed slot from RTG that features banks, robbers, cash, and cops. Cash Bandit is another slot that got a follow-up game due to its high popularity. It keeps with the classic 5-reel, 25 payline formula that most slots find successful. Steal cops donuts to get free spins and hit the Vault feature to unlock 90 free games and prize multipliers.

This Real Time Gaming slot revitalizes the ancient legend of Aladdin, with the genie, the magic carpet, and Aladdin's monkey sidekick to entertain you. The 50-reel, 20 pay line slot has a progressive jackpot that accumulates with every game, with the largest possible pay out a huge 50,000x.

Hit the Magic Lamp scatter symbol to get 25 free spins! This affordable slot takes bets as low as 0.01 per line so low-limit players will like it.

Rtg instant play casinos

A simple 5x3 reel grid with 20 pay lines, Diamond Dozen plays on the theme of the rich bachelor looking for love. Aim to win over the beautiful maiden with jewels, roses, and rings. Get the blue or white diamonds to get free spins, multipliers and bonus games. The random progressive jackpot means you could win big at any moment!

Real Time Gaming makes several realistic video poker games with excellent graphics. The video poker games in RTG's arsenal include Jacks or Better, Aces & Eights, All American, Deuces Wild, Double Bonus, Joker Poker, Loose Deuces, and Sevens Wild. The wide variety of games gives players lots of flexibility in how they wish to play. Whether you like your poker traditional, wild, or with added bonuses, there's something for everyone.

In addition to video poker, RTG offers some live dealer poker games for those who desire a more realistic casino poker experience. These days, many online casinos offer live dealer rooms for the discerning player.

Play instant casinos rtg

This unique take on traditional poker requires the player to aim for 4 eights and 4 aces. Rather than normal dealing, players get more control over the game and can develop a strategy to direct the outcome.

Joker Poker uses a full 53 card deck and the jokers are wild. Other than that, the game plays out just like normal poker but the added wilds mean it has a huge 98% RTP.

Similar to Deuces Wild, Loose Deuces mean all 2's are wild and you need at least three of a kind to win. You can also double up a winning hand on the following round if you're feeling brave.

Rtg casinos instant play

RTG casinos are famous for their very fast Blackjack games that deal up to 7 hands per minute! The company offers a wide variety of blackjack games that are compatible with PC, Mac, and mobile devices in both instant play and downloadable format.

In RTG's European blackjack, the dealer is not dealt the second card until all players have chosen whether to wager or not. There is no surrender option and players can only double down on hands equalling 9, 10, or 11. Other versions include Faceup 21 in which both dealer's cards are visible, Matchplay 21 that doesn't include tens, and Perfect Pairs that gives players a bonus side bet, amongst others.

In Pontoon blackjack, both dealer cards face down but any player who gets 'pontoon' (natural blackjack) wins a bigger payout. Also, a 5-card hand that isn't bust wins over everything except Pontoon.

Rtg casinos play instant

Super 21 has some special rules, including the option to double down and utilize a late surrender. Also, any player that gets 5-card 21 or six cards without going bust automatically wins.

In Perfect Pairs blackjack, players get the opportunity to make a 'perfect pairs' side bet before any cards are dealt. If they get a pair on the first hand, they win the perfect pairs bonus.

RealTime Gaming has produced three different versions of Roulette, American, French, and European.

Rtg instant play casinos

Its American roulette game features the typical 36 numbers plus a zero and a double zero (00), making the house edge 5.26%. Its European version is very similar but features only the single zero, making the house edge half that of American. Players can take advantage of the 5-bet rule which pays out 6 to 1 and involves betting on 0, 00, 1, 2, and 3.
