Since Czech love playing casino games so much, it is no wonder that many online casinos allow local players to use CZK as their currency for deposits and gameplay. Converting money to other currencies can be expensive and can lead to you losing track of your bankroll, which is why playing in CZK is always a good idea for Czech players.

Online mobile casino australia

Czech online gambling kept it simple: There is one regulatory body to issue all kinds of licenses and it is the Ministry of Finance. The license for Czech online casinos lasts for six years and costs 200 EUR to apply. (Yes, only 200 EUR. But if your application is accepted, you pay a lot more for the license itself, of course.) In order to launch an online casino Czech, you must pay a security deposit of 1.8 million EUR. (If you are wondering, this figure is only 350.000 EUR for brick-and-mortar casinos.)

The preferred way for Czech gamblers to deposit money into an online casino is:
