An online casino must tick many boxes before receiving our recommendation. Along with being licensed in a reputable gambling jurisdiction, the site must always put the player first, offering a wide selection of games from leading software providers. Our favourite sites offer slots, roulette, blackjack, video poker, table games, scratchies and live dealer games from the likes of Net Entertainment, Microgaming, BetSoft, Evolution Gaming, Quickspin, Play'n Go, Ezugi and Yggdrasil, just to name a few.

The e-Commerce Online Gaming Regulation and Assurance (eCOGRA) is one of online gambling's industry's leading independent authority. Our recommended sites proudly wear the eCOGRA Seal of Approval, which is only awarded to Web casinos which pass rigorous third-party testing to ensure all their games are fair, that the software cannot be hacked or manipulated by players or operators, and that the site offers a secure, honest environment for online gaming.

Not all online casinos are worthy of your business. Some are slow payers, while others use flawed software or are outright scams. We have developed this casino blacklist to help keep you from throwing your money away.
