Red Dog Casino is a relatively new casino that takes the top spot when it comes to mobile slot casinos.

It opened its doors in 2019, and since then, it has been delighting online gamblers with its amazing game selection and excellent features, not to forget its excellent mobile compatibility.

Red Dog Casino has a great selection of mobile slots, which includes some of the most popular titles available on the internet, as well as a few lesser-known mobile slot games that are growing in popularity.

There are about 120 online slot games here, covering all different styles and themes. Our favorite game here is Caesar's Empire. This RTG slot is a 20 paylines, 5 reels, and 3 rows slot machine, offering players endless fun.

All the slot games here are from one provider, which, for some, might be a bit of a disadvantage. However, it should be noted that this provider is RTG, which is one of the best-known software developers in the online gambling world.

New players are welcomed to the casino with a generous 225% deposit match. This welcome package can go up to \$12,250, which is quite a lot. Once you make your first deposit, simply use the promo code "WAGGINGTAILS" to activate this offer.
