| 10. | A) who | B) which | C) where | D) why |

ANSWER KEY

I. Choose the correct answer. (40%)

Have the students listen to each sentence, read the choices and choose the correct answer. Each question is worth 4 points. The script is for your reference:

- A** 1. After saving the day in England, Banjo is starting to really like the idea of being a king. He likes the way it feels to have everyone love him and think he is a hero. Loo Loo, however, is worried that Piper and Punko want to take him away.

Question 1. What is Banjo's idea?

- C** 2. "Anyway, I wonder what Piper is doing. I bet she is having a lot of fun," Banjo says. "Maybe she isn't all bad. Maybe she has a reason for what she is doing." "Sure, a lot of fun destroying things," Loo Loo says. "She is just doing whatever Punko says. The two of them are no good." "Maybe you are just jealous of them," Banjo says.

Question 2. Who does Banjo think Piper and Punko are?

- B** 3. Just then, Loo Loo receives a message from Punko on her phone. It says: "Come to Rome, Italy. Let us settle who Banjo wants to be with, unless you are afraid." Loo Loo shows Banjo the message, and he decides to go.

Question 3. What is the message about?

- A** 4. Loo Loo remembers that her aunt who married an Italian man is in Rome. They own a restaurant there. "Banjo, can we first see my family there before you see Piper?" Loo Loo asks. "Sure, Loo Loo. Skater! Take us to Rome!" Banjo answers.

Question 4. What is NOT true about Loo Loo's aunt and uncle?

- C** 5. "There are around 3 million people here," Banjo says. "Why are there so many old buildings?" "Rome is a very old city. It used to be the biggest and most important city in the world," Loo Loo explains. "It is home to some of the best art, music, fashion, and food in the world," Skater adds. **Question 5. What kind of city is Rome?**

- B** 6. Loo Loo's aunt starts organizing a big meal. She calls her friends and neighbors to help. They set up a big table right on the street and invite all of the neighbors to join. In less than an hour, people from all over start bringing amazing dishes to the table. They have noodles, lasagna, fish, chicken, bread... SO MUCH!

Question 6. What are these people going to do?

- A** 7. "What are you doing? Are you crazy? You can hurt someone!" Loo Loo screams. "Banjo, are you ready to leave these people? You can be so much more!" Piper says. "They want to keep you small and weak. We want to make you strong!" Punko adds. "Piper, show these people your power!"

Question 7. What do Piper and Punko tell Banjo to do?

- A** 8. "Are you all ready to do as I say?" Piper asks.
Everyone is so scared, and they beg her not to destroy the restaurant. Loo Loo runs to her aunt and puts her arm around her. Loo Loo is scared, too. She even has a tear in her eye.
- Question 8. What is happening?**
- C** 9. "ENOUGH!" Banjo screams. "I will never join you!"
"Well, that is a bad choice," Punko says. "Destroy the restaurant, Piper!"
"Are you sure we have to, Punko?" Piper asks.
"Yes! If you want people to love and respect you, they must be afraid of you!" Punko says.
Piper tosses the small car at the restaurant, but Banjo is ready. He flies on Skater and catches the car. He is not as strong as Piper yet, so he can barely hold it. He sets it down, and then flies straight at Piper.
- Question 9. What is true about Banjo?**
- B** 10. Loo Loo's uncle says, "You may be a little stronger than our Banjo for now, but you aren't stronger than all of us!" The group starts running at Piper and Punko. Punko is scared and runs behind Piper. He yells at her to fly away! Piper drops her hand and tells Skatie to take them to safety. As they are flying away, Piper looks back and sees the people helping Banjo stand up. They hug him and cheer for him. She is confused why they would do that if Banjo lost.

Question 10. Why is Piper confused?

II. Choose the correct answer. (30%)

Each correct answer is worth 3 points.

1. C 2. B 3. B 4. C 5. C 6. A 7. C 8. B 9. C 10. A

III. Choose the correct answer. (30%)

Each correct answer is worth 3 points.

1. B 2. D 3. A 4. C 5. B 6. A 7. C 8. A 9. B 10. D
