My name is Jason. I'm going to share my trip to Australia to all of you. When I was ten, my family and I traveled to Australia. It was the first time I took a plane. We arrived at the airport early in the morning. Before we got on the plane, I felt scared. When the plane took off, I was so nervous that I couldn't open my eyes. However, the view was amazing. I looked out the window and saw the beautiful blue sky. Finally, our plane arrived in Australia.

My dad's friends, Mr. and Mrs. Brown were excited to see us. They showed us around the city. On the first day, we went a museum, attended a concert and saw the fireworks. We were lucky because it was sunny. On the second day, we went shopping in a department store across from the train station. My dad bought a wallet and my mom bought a ring. I was surprised because Mr. Brown bought a green jacket for me. I liked it very much. I wish I could go to Australia again.
