Mark: I can't believe it! We have a week all to ourselves.

Rita: I know. It has been too long since the last time. Also, my mom just called and gave me an update on the kids. They're really enjoying themselves, so we don't need to worry about them.

Mark: That's good to hear, and to be honest, I haven't thought about them at all. We need to thank her when we get back.

Rita: Why don't we pick up something for her? She would love it.

Mark: That's a great idea! Let's do that in the middle of the week because it's going to be wet and windy.

Rita: I agree, and that's also the perfect time to visit the museum and culture center.

Mark: I can live with that, but I also want to spend one whole day at the beach.

Rita: Of course! There won't be any clouds in the sky tomorrow or on our last day here, so we can do that on either day.

Mark: Earlier will be better because it will be warmer.

Rita: OK, then on the other day, we can go flying kites. A shop between our hotel and the beach rents them.

Mark: Sure! I haven't done that in ages, and maybe we can get the kids some.
