

My Bad Day

Name: _____

Dear Diary

Today was a very bad day. This morning, I went swimming at school. I broke my leg in the swimming pool. My leg hurt a lot. In the afternoon, my teacher took me to the hospital. I didn't like the hospital. After I came home, I had a headache and a sore throat. I felt terrible. In the evening, I had a fever. Mom was very worried. She took me to the doctor. I hated seeing the doctor. What a terrible day!
