（一）

Here are the five best toys that every child wants to have this year.

1. Wheelie Fast

Fly down the sidewalk on this two-wheel scooter that you simply stand on. The LED lights are so bright that your friends can't miss you.

2. Robo Smart

This robot that a big movie made popular is like no other. It looks, sounds, and moves just like the one that was in the movie. What's more, it can be controlled from any phone that you use to connect to the Internet.

3. My Pal Poochy

This is the first toy puppy that both parents and their kids love. My Pal Poochy not only says things when he is called but also sings when he is hugged. He also plays a lot of games that kids know and love.

4. Move to the Beat

When the machine's fun songs are played, bright LED buttons that young kids can follow light up. If that's too hard, then just shine the lights on the floor and have everyone dance on the spot.

5. Pie in Your Eye

Players take turns to see who is lucky enough to get a face full of pie. With each turn of the handle, your chances get better and better.

Molly: Do you know anything about the game that everyone's playing on their cellphones, Harry?

Harry: Of course, I do! I was playing Sugar Crush long before it was popular, but I'm done with it now.

Molly: Were you any good at it?

Harry: You're joking, right? Playing video games is the only thing that I do in my free time.

However, if I don't find that it challenges me anymore, I move on to something newer and hopefully better.

Molly: Sorry, Mr. King of Video Games. So, could you teach me how to play it?

Harry: If I help you, what's in it for me?

Molly: Do you remember the pretty girl you couldn't take your eyes off in the cafeteria? I'll give you her number, or better yet, I can introduce you.

Harry: Her number will do just fine because I'm not ready to talk to her in person yet.

Molly: Does that mean we have a deal?

Harry: Maybe. How come you want to play that silly game?

Molly: I want to know why everyone is so crazy about it, but most of all, I'd like to understand the things they are saying when they talk about it.

Harry: OK, then there's no time like the present to get started.
