

Tina picks up a 1 from the table. John tells Tina that it will become a useful tool for 2. Tina says, "3!" John smiles at Tina and says, "You can make one for 4." Tina is very happy.

While Tina works hard in John's lab, the 5 rings loudly. Somebody has broken into the White family's home. Tina quickly follows John back to her parent's 6.

- \_\_\_\_\_ 1. (A) jacket (B) T-shirt (C) tie
