Last week, I started my first part-time job. I worked at ABC's from 6 p.m. to 10 p.m. It's near my school, so I can have enough time to go there on time right after school. On the first day, I helped in the kitchen. I helped wash the dishes and cleaned the kitchen. I also learned to make hamburgers. That wasn't difficult. I just needed to follow the recipes. Moreover, there were excellent cooks around me, and I could learn skills from them. The next two days, I did the same things, too. On the fourth and fifth day, I worked as a waiter. Everyone was busy because there were a lot of customers on the weekend. I was really tired after work. Today is my sixth day of work. I'm happy to work here because I can meet different people and learn a lot every day.
