Dear Jacky,

How's everything going in Taiwan? I have a lot of fun in Doha. People here eat a lot of meat, but they don't eat pork. They eat a lot of beef every day. It is very hot in Doha every day, so they don't go out. They stay home and only "watch" sports.

In Doha, people eat much sugar. They drink a lot of juice and eat a lot of cakes, but they don't drink much water. Many doctors worry about them, but they still eat a lot of junk food. They really need healthy diets and exercise.
