四、克漏字（每題 3 分，共 4 題）

Hey, James,

I'm having a great time in New York City. You would love it here, too.

The city is a lot \_\_1\_\_ than our hometown. If you stand at one end of the street, you won't be able to see the other end. The streets are also wider because I have to run to cross them in time. I almost didn't make it a few times. Though our town's buildings are \_\_2\_\_ giraffes, the buildings here are even taller. When I try to see the tops of the buildings, I have to bend my neck all the way back, and most of the time, I can't. Also, the cars here are bigger and faster. I can understand that \_\_3\_\_ the people are also larger and stronger. I look like a little kid when I stand next to them.

It's \_\_4\_\_ late, and I'm really tired. I'll write again in a few days.

Take care,

Louis

Mom: Where are you going, and why are you dressed like that?

Son: I'm meeting some friends at the park. And what's wrong with my clothes?

Mom: If you think summer is around the corner, you'll be in for a shock. It's colder and wetter than yesterday.

Son: No, that can't be! It's already the end of May.

Mom: I know, but the weatherman gave us some bad news last night. A cold front is coming our way, and it's going to bring stronger winds, colder air, and heavier rains. In fact, we may even get snow.

Son: That's winter weather! How is that possible?

Mom: Well, the weather isn't as cool and stable as before, so we have to be ready for strange things to happen.

Son: That doesn't sound good at all!

Mom: Actually, it's worse than before, but we just have to make do. Hey, where are you going now?

Son: I'm going to change into warmer clothes. I don't feel like getting sick before the better summer weather gets here.

Rita, David, Fiona, Jack, and Terry are putting on a romantic but sad play, *Romeo and Juliet*, for children.

(During the show, some children are talking about the play.)

Peter: I don't know the story. What are they playing?

Tom: I don't know, either.

Lisa: I know. The story is about two lovers. They fall in love, but they fail to be together because their families are long at feud with each other.

Betty: Wow, you know a lot, Lisa.

Peter: It's because her father bought her a lot of books and took her to many shows.

Tom: I see. By the way, which one plays better, Jack or Terry?

Lisa: Though Jack plays Romeo well, Terry plays Romeo's friend, Mercutio, even better.

Betty: I don't think so. I like Jack. He is so handsome.

Peter: Look! Their costumes are so beautiful. Whose costume do you like better?

Lisa: Juliet's. The costume is a beautiful fit for Rita, and she looks younger than Fiona.

Tom: But Fiona is taller, and she looks healthier. I like her.

Betty: I like Rita and Fiona both. They are good actresses.
