## 五、閱讀測驗（每題 3 分，共 6 題）

### (一)

Isaac: Hey, Paula, what are you going to do this weekend?

Paula: I don't have any plans yet. How about you?

Isaac: Great! I was just going to ask you to join me and my friends. We're going to spend the day in Tamsui. Would you like to come?

Paula: That sounds like fun. How are you guys going to get there?

Isaac: Well, not all of us have scooters, and we didn't want to take the MRT. Also, it's going to be a great day, so we decided to ride there. We're going to meet at the MRT station and rent YouBikes.

Paula: Really? Won't that take a long time?

Isaac: It's not too bad. I did it before, and it only took me about half an hour. Besides, we won't be racing there on Saturday.

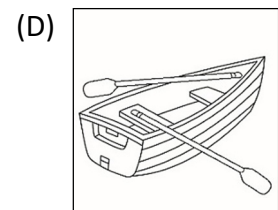

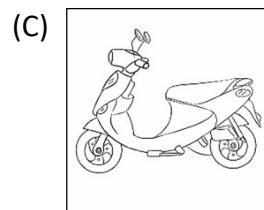

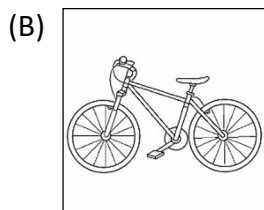

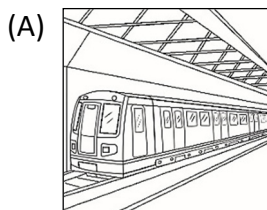

Paula: Why not? Won't that mean less time in Tamsui?

Isaac: No, we're going to get started early in the morning. Also, we're going to stop along the way for drinks, snacks, and bathroom breaks. We are going to take it easy and enjoy the views of the boats on the river from the bike path.

Paula: That's cool! Count me in.
