Dear Judy,

Today was my first time to eat at a restaurant after I came to Japan to study. I went there with my classmates, John, Harry, and Keigo, to celebrate Keigo's birthday. It was great to eat at the restaurant because we really had a good time there. First, the restaurant was very clean, especially the restroom. Second, the waitresses were nice and polite. Finally, the restaurant had a variety of dishes, for example, steak, pizza, sushi, dumplings, sandwiches, and beef noodles. By the way, their specialty was ramen. I tried it today, and it was so yummy. Here are the photos of our dishes.

They look delicious, right? When you visit me with Mom and Dad next month, let's go to that restaurant together. You will enjoy having a meal there. I hope to see you soon.

Best wishes,

Johnny
