評分標準 Marking Criteria and Scales

1. 每次口試 10 個題目，每題 10 分，總分 100 分。

There are 10 questions in the oral test, with 10 points each and 100 points in total.

2. 學生必須以完整句回答。每個錯誤扣 2 分。範例如下：

Students must answer the question in complete sentences. Deduct 2 points for each mistake. See the examples below.

T: What's your name? S: My name Joe → "is" is missing. Deduct 2 points.

T: Are you happy? S: Yes. → "I am" is missing. Deduct 4 points

3. 若學生第一次聽不懂題目，老師可以重複一次。若學生聽了二次題目還是不懂，老師可以唸第三次題目，但是必須扣 2 分。若學生聽了三次題目還是沒有回答，則該題以 0 分計算。

If students can't understand the question, you can say it again. If students still can't understand the question, you can say it the third time. However, students will be deducted 2 points. If students don't answer the question after you say it three times, they will get 0 for this question.
